Staffordshire Photographic Clubs Print Competition

I don't believe it's a good thing to blow your own trumpet, but in this case I think the club is justified in doing so. The Staffordshire Photographic Clubs Print Competition which this year we had the honour of organising and presenting was a resounding success. We may not have featured as high in the medal table as we would have hoped, but the praise and comments received more than made up for that. Our method of projecting the images onto a large screen set up on the stage enabled everyone in the room to have as good a view as the judge. A perfect evening.

The standard of images from all clubs was extremely high. This of course gave the judge, Louise Hill, a very difficult task of which she accomplished to her usual high standard. The team competition was won by Burton-on-Trent Photographic Society, and the trophy for best print of the evening was won by our friend Ralph Duckett also of Burton-on-Trent Photographic Society with his image titled 'Golden Beauty'.

Some of the received comments are below:

"I would like to offer my thanks to all at the club who helped organise and put on this excellent evening. When we were asked last year if we would do it I said we should as it would be a good advert for the club. I was right. Thank you everyone". Roy Hodgkiss, President.

"Staffordshire Annual Print Competition was hosted by R&A CC for the first time. Eleven Staffordshire clubs entered it this year, and by the responses we have received you can see it was a resounding success. This was thanks to Kay & Graham Williams for their excellent organisational skills and the many members that helped with setting up at the venue in the afternoon and assisted during the evening. As usual I have to congratulate everyone and say how proud of our club I am". Carole Perry, Chairperson.

"What a night. Proud to be a member of the Rugeley and Armitage Camera Club. We might not be able to win competitions by we can certainly organise one". John Sylvester, Secretary

"Wow... what an evening. I don't think I really thought of the impact this Competition might have. However what great support we had from all the members (and their wives). Everyone did what was needed when it was needed". Kay & Graham Williams.

"Many thanks for Rugeley & Armitage Camera Club for the hard work in putting on last nights event. Well done great job and without doubt you have got next years event to run LOL".
John Cartlidge, Chairman, Cannock Photographic Society.

Club Exhibition Weekend - May 21st-22nd

We still need more prints for the Exhibition Weekend.

This is where we have the chance to show off our club to the public, and hopefully get to recruit more members in the process. But we can't do this unless we have pictures to show.

We need pictures from all sections of the club. It doesn't matter if they have been entered into competitions or not. We want the pictures. A maximum of four prints per member please.

Also please try to supply John Sylvester with a jpeg digital copy of your prints with title, your name, and section you are in so he can produce the exhibition catalogue.

If you are having problems supplying a jpeg copy of your images then PLEASE still submit your images. We can sort it.....

The 'Presidents Trophy'

Our President Roy Hodgkiss wishes to donate a trophy to the club for an annual photographic competition to be held each May. The competition is open to all members with no restriction on subject matter. Pictures can be from any year and may have been previously entered into any of our competitions. Two prints per member will be accepted and the 50p per picture entry fee will all be donated to St Giles Hospice.

For this year due to being a last minute decision we will hold the competition after our Annual General Meeting on Monday May 9th.

Entries must be handed in between now and Monday April 25th with Roy being in attendance to accept your entries on Monday evenings. We know you will all support our President in this event.

To allow time for the competition, on this occasion our AGM will commence at 7.00pm.

Members Evening 20th June

Our members Evening on the 20th June may appear to be quite some time away, but knowing how quickly time passes, especially as you get older, maybe now is the time to get your thinking caps on and come up with a 5-10 minute presentation. It's a fun evening, nothing serious. So come on, have a go.

Last Week

Last week we were entertained by Aldridge Photographic Society who brought their Roadshow to us. They gave an excellent presentation of A/V's and printed images which covered topics ranging from wonderful landscapes, long exposures, low light photography to portraits to humorous.

During the evening we went from the beautiful Isle of Harris to the Jurassic Coast, via The Great Wall of China, Machu Picchu, Beijing ending up on the streets of Liverpool. A real contrast if ever there was one.

This Week

This week we hold our penultimate competition of the season. This is a PDI competition and the theme is 'open'. With time running out the front runners in each section will be hoping for a kindly judge.

The judge is David Graham from Buxton. This is his first visit to our club.

Next Speaker - 25th April John Hartshorne - Digi-re-do

John has enjoyed photography for most of his life and started printing in the darkroom, processing black and white and colour negative film, moving over to digital printing twelve years ago. He has travelled extensively around the Midlands, visiting photographic societies as both judge and lecturer.

From Paddy Ruske

Hi all,

I now work with the Staffordshire Wildlife Trust as a Wildlife guide at Wolseley Bridge Centre. If anyone is planning a visit there give me a ring and I will be able to give them reports on sightings and locations within the park where they will find sites where good photographs of the kingfishers, voles, nest sites and even the otters can be found. If I am on duty will even take you round!!!!

Please contact me on 01543 301038
