## Club Exhibition - It's Here.....

All the works done (well nearly), all the pictures are up, all the brochures are printed, all is ready for our annual exhibition. This will be the first at Lea Hall and we hope it's going to be a good one. Behind the scenes members have worked extremely hard to ensure all will go to plan and the weekend will be a huge success.

Please try and find some time over the weekend to pop along and support our club. Bring a friend or even someone else's friend if you want to.

..... and remember, the bars open..... and much cheaper than Hawkesyard.....

### This Week - The Final Countdown (well Showdown but Countdown sounded better)

This week is our last monthly competition of the season. Final league placings will be decided tonight. In the Intermediate group only two points separate 2nd to 4th and more interestingly only one point splits husband and wife duo Peter & Hilary Thomas. Who will win that one? The Advanced section is even closer with six points coming between the first seven.

This promises to be an excellent evening. As good luck would have it our judge for the evening is the very experienced Louise Hill. As you may remember Louise recently judged the Staffs Interclub Competition for us. As well as being a judge and lecturer Louise is a former president of Smethwick Photographic Society and currently works for PermaJet. Good luck everyone. May the best pictures win.
