Roy Hodgkiss 'Natural History Trophy' Monday 13th June

This week is the annual Roy Hodgkiss Natural History Trophy competition. This promises as always to be an excellent evening. A very difficult job for the judge I'm sure.

Presentation Evening - 27th June

Monday will be the last day to get your tickets for the Presentation Evening

Ticket price £8 per person.

A donation from each ticket will go to St Giles Hospice.

Please see John Sylvester for tickets

Members Evening 20th June

Presentations are required for our popular Members Evening on the 20th June

If you can cobble together a 5-10 minute presentation of prints, A/V's or basically anything, please let John Sylvester know.

It's all for fun, so come on, have a go.

Raffle prizes required for our Presentation Evening.

If you have anything which may make a good raffle prize on our Presentation Evening please contact Carole Perry or John Sylvester.

Last Week - 'A Day in the Life of David Peters

This was a welcome return for David who last visited us when we were still at the Village Hall Armitage. David took us through his photographic career from his early days working at his fathers photographic business, to taking over the business himself. David, as before delivered his presentation with his usual brand of comedy and anecdotes covering over forty years of photography. Yet another excellent guest speaker.

Birthday Wishes this week go to:

!7th June - David Roberts

17th June - John Gifford

Hope you both have a great day

Upcoming Club Evenings

June 20th - Members Night

June 27th - Presentation Evening

Presentation of Prizes

Buffet & a jolly good time

Rob Ings

Good luck to club member Rob Ings who has secured a front of stage paparazzi slot for Sunday's Tom Jones concert in Lichfield. Nice one Rob.

Reminds me of the chap who went to see his doctor:

Doctor: "Well I've had a good look at you Mr Smith. I think you have Tom Jones Syndrome"

Patient: "What's that doctor. Is it rare?"

Doctor: "It's Not Unusual....."
