Last Week - Practical Evening

We held our first Practical Evening of the year. According to Brenda's register it was our third highest ever attendance for a Practical Evening. Thanks must go to Rob for the organising and to all the 'tutors' who attempted to give the impression that they knew what they were talking about.

Our next Practical Evening is on November 13th when the planned subjects include White Balance, Dark Light, Photoshop Layers, Adobe Lightroom, Composition, Landscapes and Portraits.

I'm sure you'll all agree there's something there for everyone.

This Week Ladies vs Gentlemen

This is probably the most important competition of the season. Certainly the one which carries the most bragging rights. As we men know, the ladies are like Australian cricketers, they're bad when they lose, but even worse when they win...!! If the ladies win this one to make it three on the trot they'll be unbearable.

Monthly Competition - 9th October Prints - Subject 'Open'

Prints are required to be handed in THIS MONDAY 2nd OCTOBER for our first monthly competition of the season. Judge for the competition is David Graham.

If you can manage it we would also like a digital copy of your images so we can put them onto the club laptop. These can be stuck on a flashdrive, CD/DVD, or emailed to Dave Perry, Rob Ings or myself. Resized to our PDI size of 1400x1050 would be good, but if you're not sure how to do that then just send the original full-sized image and we'll resize it.

Found - Bracelet

After last week's meeting a bracelet was handed in. If you have lost one please see Carole on Monday evening or if you won't be there give her a ring on 01889 800547

Club Trip - Middleport Pottery

For those who have put their names down for the trip to Middleport Pottery on Thursday 23rd November. Could you please pay £5.00 non-refundable deposit by Monday 9th October.

There's still time to add your name to the list if you haven't yet done so but would like to go.

Christmas Dinner - 11th December

Our Christmas Dinner for this year will be held at La Terrazza Italian Restaurant, Rugeley. As many of you will remember we went there two years ago and had an excellent meal. A non-refundable deposit of £5.00 required by 30th October.

War in the Valley - Churnet Valley Railway Sat & Sun 30th Sept & 1st Oct

A bit last minute but could be a good day out. Annual wartime weekend, as the Churnet Valley is transported back to the 1940s and World War II.

Royal Photographic Society Nature Group

It's always nice to see your own pictures in print. If as in my case they're not usually good enough, it's good to see other club members pictures in print instead. Cast a look through here and see if you can spot four images from one of our own

Yoxall Roadshow - Wednesday 18th October

Our ever popular Travelling Roadshow is making its merry way to entertain the members of Yoxall Camera Club. Last year they came to us and produced a very enjoyable evening. Obviously we want to put on an equally good show.

If you would like to submit to the evening or would like a bit more info as what we do, please have a word with Rob Ings on Monday night or drop him an email.

Birthday Wishes this week go to:

30th Sept: Clive Dunkey

Have a great day Clive
