### Last Week - 'Judge for a Night'

A judge's job is easy, anyone can do it.... Well clearly it isn't. We all found that out once again when each of us became a judge for a Night. Approximately sixty prints were displayed. This made for a very difficult task indeed. The spread of votes over the images proved that what one judge likes another doesn't. Yes, there was a winner, but the votes cast over the top half dozen or so were very close.

The evening was very well organised and ran smoothly. Quite a few members volunteered themselves to stand up and say why they voted for certain prints, while other members were 'volunteered' by others to speak about their own prints. All in all another excellent evenings entertainment and very well done to Kevin Sneddon and Clive Pritchard for all their work. Problem for them now is that they'll get the job again next year. This email I received off a member summed it up perfectly:

*"I thought Clive and Kevin did a great job on Monday night. It all ran very smoothly and Clive was a humorous 'compere' which helped to make the evening go well. Please will you pass my message on to them - it's always a bit daunting taking on a job like that but I felt the evening went very well"*

The first 5 images voted for were by:

1) Steve Higgins - 2) Graham Orgill - 3) Steve Higgins - 4) Graham Orgill - 5) Rob Ings

### This Week - 'George Lamb Trophy'

The 'George Lamb Trophy' held in memory of our friend George. Landscape Photography was George's favourite subject. There's sure to be many excellent landscape prints on show of which were sure would gain George's approval. Judge for the evening is George's friend Howard Bagshaw.

Now we know you won't need any extra encouragement to come to tonight's meeting, but to help make the evening go down even better there will be lovely homemade cakes made by our own Mary Berry to help keep you going. The money raised from the sale of cakes and all other monies raised from the competition entry fees and raffle, will be donated to the clubs chosen charity, St Giles Hospice. So please come along and make the evening a success.
