

Rugeley & Armitage Camera Club Newsletter

12th September 2020

www.rugeleyandarmitagecameraclub.com

Welcome Back Meeting was very well attended and it was great to see members for the start of a new season. The projector was set up to show various PDI competitions from last year and run through a library of members photos that had been entered into competitions. As I was volunteered into showing the above, I took the opportunity to play the ten year anniversary Av's. It seemed strange sitting two metres apart but everyone enjoyed meeting up with old friends again. I have included a few photos taken of the room empty and with members socially distanced or in their particular bubbles.

Please note that to meet government guidelines, we are reviewing the situation each week as to where are meetings will be held, either at Lea Hall or on Zoom. Meetings at Lea Hall will be restricted to 30 members who will be allocated places on a first come first served basis. Apply to

Apologies for my mugshot again but as any newsletter editor knows, no news is NOT good news. You can't fill a newsletter with nothing. Sometimes there is more happening than you can fit in, but on the other hand the opposite is more likely. If you see or read anything that may be of interest to members, please let me have it. It doesn't necessarily have to be related to photography.
