Camera Club Walk on Monday 30th May

On Monday evening ten of us (plus Archie) met at Birches Valley on Cannock Chase for a photography walkabout. After the initial meeting and greeting we finally set off. However it didn't take long for Schoolmistress Margaret to give us all a stern talking to. Margaret pointed out that this being a club evening, it was a picture taking exercise, not a talking exercise.

Having been reprimanded we all stuck to the task in hand. It was good to see everyone looking for images. Some were taking the wider landscape, some were going for close-ups. The two hours spent walking around Fair Oak Pools went by in a flash (no photography pun intended). Everyone enjoyed themselves and no doubt we provided extra food for the midges. Everyone was a winner.

I'm sure all would like to thank Margaret for organising. Hopefully during the summer break we can do it again. Cannock Chase is a large area.....
